11. COMPLAINTS

Complaints Policy

Established January 2013, reviewed April 2013

Complaints arise when a client is not satisfied with an aspect of our services and requests action to be taken to resolve the matter. Appeals arise when a client is not satisfied with a decision that we have made on assessment.

Any complaint or appeal must be considered in a transparent, objective and unbiased manner. The process incorporates the principles of natural justice and procedural fairness.

Any person wishing to make a complaint against First Door concerning its conduct as an RTO, whether a complaint, appeal or other matter, shall have access to the complaints/appeal flow. All formal complaints will be heard and decided within fifteen working days of the receipt of the written complaint by First Door. A 'Register of Complaints' which documents all formal complaints and their resolution will be kept. Any substantiated complaints will be reviewed as part of the continuous improvement procedure.

Complaints or Appeals Procedure

Informal Complaints

The person should first discuss their concerns with their Trainer/Assessor, or other staff member they feel comfortable with. If the matter is satisfactorily resolved during initial discussions no action is required.

The Trainer/Assessor should make a note of the person's concern on the Enrolment Form, or similar document, so the feedback is kept and reviewed. Where a person is dissatisfied with the outcome of the informal complaint they may then complain to First Door's EO, who will make a decision and record the outcome of the complaint.

Formal Complaints and Appeals

First Door will provide the complainant with access to an independent qualified assessor or panel who will:

- provide the complainant with the complaints/appeals form and instruct to complete details of their issue
- the complaint and its outcome shall be recorded in writing
- on receipt of a formal complaint First Door EO shall convene an independent panel to hear the complaint; this shall be the 'complaint committee'
- the complaint committee shall not have had previous involvement with the complaint and should include representatives of:
 - First Door
 - an independent person
- review their competency report / assessment / evaluation
- interview the complainant – the complainant will be allowed advocacy rights and will be provided with an opportunity to formally put their case
- the complaint committee will make a decision on the complaint
- where appropriate, provide the complainant with an opportunity for re-assessment
- provide a written statement, including reasons for the decision, to the complainant within five working days of making its decision.
- the formal complaint/appeal and subsequent outcomes will be recorded in detail and maintained on file by the RTO
- if necessary, the circumstances and information surrounding the issue is investigated to the level warranted by its severity.

The root cause of the complaint/appeal will be included in the continuous improvement cycle of the relevant standard/s.

Unsettled Complaints or Appeals

If the issue is not satisfactorily settled the client should be advised of the formal Complaints and Appeals Procedure.

A non-refundable fee (to be determined) per module or competency standard whichever is applicable, will be charged for all assessment appeals. First Door may waive this fee in special circumstances.

By entering into the appeal procedure, the appellant agrees that the decision of the independent assessor / panel will be final and that the appellant will take no further action.

Confidentiality

Confidentiality is maintained and anonymity preserved where requested. Complainants/appellants are informed where this may limit the extent to which their complaint/appeal can be investigated.

Records

All complaints and appeals are documented in writing and recorded on the register.

Monitoring and Improvements

All complaints and appeals are used for continuous improvement processes.

Follow-up actions may include:

- Ask for feedback from the client to determine whether they were satisfied with the way the complaint or appeal was handled
- Change the practice that led to the complaint/appeal and at a later date review the improvement to see that it is working
- Review records of complaints and appeals to see whether there are specific issues (or staff or services) that are being targeted, and whether the complaints and appeals are being resolved in a timely matter

12. FINANCIAL MANAGEMENT

Financial Management Policy

Established January 2013, reviewed April 2013

First Door ensures it follows stringent Financial Management guidelines to protect both First Door and the students. An up to date Fee Schedule is available to all students, prior to enrolment, detailing all fees relating to enrolment and ongoing study.

A Training Budget is prepared as part of the annual strategic planning process. The budget, both training revenue and expenditure, is monitored closely throughout the year to maintain a sustainable RTO.

Fee Protection and Refunds

All fees paid in advance are protected. We guarantee the company's sound financial position and safeguard all payments made in advance until the student's successful conclusion of units to the value of the advanced payment. First Door guarantees that they have the capacity to deliver the courses offered. If First Door has to cancel the course a full refund will be given, including all administration fees.

Payments made in advance are identified as a liability until the successful conclusion of units to the value of the advanced payment, where it is then identified as an income.

If a student provides one week notice to cancel prior to the course starting date, they will receive a full refund less the non-refundable enrolment fee.

Cancellations after the course has begun will be dealt with on a case by case basis to ensure that First Door has done everything within its ability to assist the student in completing the course.
